# DONOR SPOTLIGHT

Christine M. Picinich, MS AGACNP-BC CCRN

## HOW DID YOU FIRST LEARN ABOUT THE FOUNDATION AND ITS MISSION?

I learned about the foundation over five years ago when colleagues received a grant to obtain CNRN certification.

## WHAT INSPIRED YOU TO SUPPORT AMWF?

Last year I was the recipient of a research grant through the foundation, allowing me to conduct a randomized controlled trial at my institution. This inspired me to give back to the fund and become a donor.

## WHY IS SUPPORTING NEUROSCIENCE NURSING EDUCATION IMPORTANT TO YOU?

Neuroscience nurses spend the most time with neuro patients. We strive to provide holistic and compassionate care and can offer so much when we have specialized training and knowledge.

**WHAT HAS BEEN THE MOST REWARDING PART OF BEING A DONOR TO AMWF?**

Paying the benefits forward.

**HOW DO YOU THINK AMWF'S WORK MAKES A DIFFERENCE IN THE NEUROSCIENCE NURSING COMMUNITY?**

This work improves nurses' specialty knowledge, advances careers, and increases research conducted by neuroscience nurses.

**WHAT WOULD YOU SAY TO OTHERS WHO ARE CONSIDERING SUPPORTING AMWF WITH A DONATION?**

Supporting neuroscience nurses through this foundation helps countless patients with neurological disorders.
